## President's Corner

There are lots of things going on at the club. The Board of Directors have voted to have the clubhouse repainted. We have retained a local painting contractor to do this work. This will happen during the second and third week in April. However, we will need to do some clean-up and repairs before the painting can begin. We have a work day scheduled on Sunday, April 8. Everyone has an open invitation to come out and help! Some of the work will start on Saturday, April 7. Contact your favorite section leader to see what you can do to help!

We have other things coming up soon at the club. On Saturday, May 5 we have our 25th Annual Steak and Oyster Dinner. This is our fundraiser for the club and we are in need of raffle prizes. Please step up and help out our club. Contact myself, Past President Dennis Dias or any Board Member. The food is always great, lets make the raffle great too! Then on May 11 - 13, the club will be hosting the 2018 California State Cowboy Fast Draw Championship. The ranges will be closed from 4 p.m. on Thursday through Sunday. We will have some of the worlds fastest shooters here. Come on out and watch!

## Section Reports

### Archery

We've ordered three 3-D outdoor targets that should have arrived by the time you read this. We continue to shoot indoors and are still getting 6 to 7 people showing up each week. We are moving outdoors in mid-April. There is still a lot of outdoor work to be done to get ready. Looking forward to a fun outdoor season!

Thank you,  
Joe Goncalves, Archery Section Chair

### Pistol

Hey shooters! This past month we were blessed again with some great weather and awesome events. Our February "Big" action pistol match brought out 75 guns and the March fun match brought 121 guns. Heart pumping fun stages for both. Our March cowboy shoot had 27 "Wicked" fast gunfighters. Fun times for sure. Stay safe shooters.

See ya at the Club,  
Rick Servando, Pistol Section Chair

### Rifle

We had a small turn out this month, however had fun. Our Thursday pistol metal event will start next month.

## Safety Corner

ALL MEMBERS have responsibility to ensure that all activities at OSC are conducted in a safe and responsible manner. All firearms shall be unloaded at all times except when actually on the firing line and preparing to shoot. All firearms must be aimed so that any discharge will result in the round impacting the appropriate backstop. "Unloaded" means: all chambers empty, fixed magazines empty, detachable magazines removed, and actions open.

REMEMBER to read and review our Member's safety, Rules and Responsibilities prior to each time you shoot at the range. The most current edition and information can be found on the Club's website [Oakdalesportsmensclub.com](http://Oakdalesportsmensclub.com), under the Rules and Responsibility tab on the home page.
