

Oakdale Sportsmen's Club News *The Golden Pheasant* August 2018

President's Corner

Well we have done it again. At our last Board of Directors meeting, we had a member reprimanded for shooting a rifle caliber round in pistol Bay 2.

Remember NO long guns in Bays 1 or 2. Standard handguns and ammunition only!

After our last dinner meeting in June, we took apart the old BBQ, cut out the cement and poured in a new thicker base. Member Doug Jaeger, from Shooters Warehouse, is doing the brickwork. We look forward to breaking it in at our August dinner meeting.

Other projects at the club this month include a new red warning light for the rifle range and a new larger refrigerator for the kitchen.

On June 30 we dedicated a plaque by the flag pole to Norm Filip, past president and trap section leader. Norm had put in many, many years of hard work to make our club better.

Parting shot.....If you are not sure about the rules, ask before you pull the trigger and put your membership on the line!

Shoot Fast, Shoot Straight, Be Safe,
Jimmy Grassmidt, President

Archery

We had a decent turn-out last month. I would like to thank Morgan and Lynn Roberts for helping gather parts for our hopping deer target. We should have it up and running by the end of June. If anybody is interested in doing archery, come and check it out on Mondays.

Thank you, Scott Beckner filling in for Joe Goncalves, Archery Section Chair

Pistol

WOW ! IT'S HOT ! But that doesn't stop the fun and it didn't stop 165 action pistol shooters from burning down stages at our June 17th and July 1st fun shoots. 21 Seriously fast gun-fighters showed up in style for our fast draw on July 14th. Check the club calendar for the next fun shoots. Always be safe.
