

Oakdale Sportsmen's Club News *The Golden Pheasant* January 2019

President's Corner

Lot's of stuff got done at the club this month! We had a clean up day on December 9. We trimmed up the trees by the trap lanes and chipped all of the brush. The Archery Section was busy putting a roof over a new short yardage practice range. They also planted a power pole for Bay 2 and a few behind the trap curtains. I really want to thank the 24 people who showed up ready to work. We got a lot done and it's looking better all the time.

More and more events are being added to the club calendar for next year. Make sure that you check the calendar for what is going on each day.

Over the holidays our club, with the help of Sconza Chocolates, donated books to the Guardian House in Oakdale. I hope that everybody had great times this holiday season and a start to a wonderful new year. Remember to pay your membership dues.

Our next dinner meeting in February is by pre-sale tickets only. Contact John Word at 209-505-5002.

Hope to see you on the range soon.

Section Reports

Archery

Like to thank everybody who helped on the dinner I believe is very successful and only made possible with great help and teamwork. Or Monday and Thursday night shoots are being well attended. We've also completed the practice range on the hill by the propane tank that we can do practice regardless of whatever is going on at the club because it on airfare with any other shooting.

Joe Goncalves, Archery Section Chair

Pistol

So November's big fun/IPSC style shoot brought 63 action pistol shooters. The lower turnout and higher round count is a perfect time to hone your competitive skills. December's annual charity shoot brought 106 guns for a holiday themed great time. All proceeds from this event goes to local charities. Cowboy action drew 21 gunfighters for their last event for the year. With no events till next year, we can spend time with our loved one's... and a Dillon reloader ...Lo!
MERRY CHRISTMAS AND HAPPY NEWYEAR!!!

Rick S. Pistol section Chair

Rifle

First of all, thanks to all of the members and their friends for supporting the rifle section. Because of your support this

year, we were able to donate to getting books for local kids. This year we decided to hold a charity match and donate the proceeds to fire the fire victims of the Camp Fire. A special thanks to Jeff Heuth and Nark Vejar for getting the match off the ground. It was very successful, we had 109 guns at the match and cleared \$1000.00 to send to the victims. Thanks to the trap section for closing the day of the match. We also gave out several nice prizes. Thanks to all of the businesses and individuals that gave us prizes.

The last weekend, we held our year end fun match. The match included rimfire, modern pistols, revolver only, shotgun/rifle/SA pistol cowboy shoot. Afterwards we BBQ'd burgers. The winners of the match:
Rimfire: Vernon Gladney
Cowboy: Julio Rosa
Revolver: Jim Waddell
Semi-auto: Dave Starr
100yd gong: Tie to Starr and Waddell

Come on out this next year and have some fun shooting rifles. We are looking at changing things up a little. The matches give you extra trigger time to get better shooting rifles. Have a Merry Christmas and Happy New Year.

Vern Gladney, Rifle Section Chair
