

OSC Golden Pheasant July 2015

Presidents Corner,— By Wayne Elam

I wish you a happy “Independence Day”; sorry that’s one of my pet peeves. They celebrate the “4th of July” in England, but they don’t celebrate Independence Day. Independence Day is my favorite holiday. It was my Father’s birthday and the birthday of our great nation, so my family always went overboard to celebrated it. I hope you take the time this Independence Day, to remember your family, our military service people, past and present, and our great country. I hope you bought some fireworks, and enjoyed them safely with family and friends. The profits from your purchases goes to support many “not for profit” organizations.

Reminder: there was no Social Dinner in July.

For those of you that missed June’s social dinner meeting, The Past-President’s Dinner, you missed a great meal and chance to socialize with 12 of our past-presidents. I’d like to thank the past presidents that attended. Past –President Matt Smith and his family member cook crew prepared some great one pound rib-eye steaks and the pies for dessert were a great finishing touch. You need to make it a point to attend next year.

The reconstruction and improvement of the back stop for our trap range has begun. The eucalyptus trees have been cut down. We are going to move the dirt

mound as far back as we can, then reinstall the tarps as far back as we can. For those of you that don't know; the tarps are there to keep the lead shot, from trap shooting, out of the river. We are going to try to keep the trap ranges going with the least amount of closures.

Your board continues to want your club to be safe. If you see anything unsafe please bring it to the attention of the on duty range safety officer (RSO) or board member. If you have any concerns about your club please call me at: 209-541-7420 or email me at: cabugman@fire2wire.com.
