

Oakdale Sportsmen's Club News *The Golden Pheasant* July 2016

President's Corner, July 2016

Members of the Oakdale Sportsmen's Club:

Our June steak dinner meeting was in honor of our OSC Past Presidents. The Board and Membership thank them for their service and some of these guys are still very active. VP Jimmy Grassmidt was in charge and delivered another great meal. The company potatoes were new and a big hit. Julio Rosa was in charge of the raffle and he delivered a Bass Pro compound bow, 50 rounds of 9mm ammo, and collectable DU knife and case door prize. Remember, there is no dinner meeting in July.

The August gun raffle has been chosen—an ATI over/under 410 shotgun + two boxes of shells. Please check your e-Golden Pheasant for full details on this beautiful gun.

Just as a reminder, members dinner guests must be male and 21 minimum years of age. Also, if you want to shoot trap at dinner meeting we need a minimum of 4 shooters, just let Hal or myself know the day before the meal. If not, then the range will be utilized for parking.

We have added a new youth member. My son, Roman Gene Dias, petitioned the board and was accepted. He is the 4th generation Dias to serve the club and was sponsored by his grandfather and our Club Historian Gene Dias.

Thursday night steel is alive and well every second Thursday. Support your rifle section by coming out and shooting the stages. It is limited to the first 40 shooters so that they are able to wrap up by 9pm and it is a target rich environment.

December is not far off and it will be election time for several board positions. If you are interested in making the commitment, please call me to discuss or make your intentions known at the

October or November Board Meeting.

To give the Membership a more informative project update, I have developed a new, more visual report. Please check your e-Golden Pheasant to learn about the status of the improvements to our Club. Much is getting done every week by your Board of Directors. If you haven't been out to the Club lately, now is a good time to come out and enjoy all the improvements.

Final thoughts:

- Be safe, read the range rules and please have your guests do the same
- The Rifle Pavilion sound dampening has resulted in a 20% sound reduction!
- Several new Members were on June's kitchen crew! It's a fun way to get involved and help your Club
- No July Dinner Meeting

I wish you a safe and happy 4th of July!

Dennis Dias,
President,
(209) 262-7643 or Nodaisy66@gmail.com

The Kitchen Section —Wed 5:30p to 8:30p

Board of Directors Meeting —July 12th 7:30p

Section Reports

Pistol

On our June fun match we had plenty of fun stages and warm weather to go with them. 105 guns braved the heat and had fun. On June 19 Father's day we had a light turnout only 61 guns for the USPSA shoot. It was a smoking hot day with some smoking hot stages. David Star created the best stages I have seen in a while. Until next month stay safe and keep 'em in the A zone,
Bruce

Archery

The 3D League is wrapping up and we will be giving out awards on the 27th of June. We will still be shooting on Mondays starting at 5PM, getting prepared for archery season and having fun shooting Broadheads. We're bringing out the still targets, so come out and get sighted in.
Aaron

Monthly Dinner Raffle Winner

Congratulations to Gary Conn for winning the June Dinner Meeting prize, a completely outfitted compound bow. August's raffle prize is an ATI 410 O&U Shotgun + two boxes of shells. Tickets are only \$10 each!

HAPPY BIRTHDAY AMERICA!
