## President's Corner

Time is flying by fast! The membership renewal is now complete. It looks like we had about 50 members that did not renew for this year, so we will be seeing some new faces. Hopefully you had a happy Valentine's Day, but if you are like me, then your significant other probably doesn't see you very often. Your fellow club members definitely see a lot of me though.

Some other things that have happened this month. The new outdoor bathroom is finally finished and ready for use. Pistol Bays 5 and 6 have been cut out and are being used.

Coming up soon will be our annual Steak & Oyster Feed on Saturday, May 5th. This is our main club fundraiser, with a challenge going out for individual, section and board members to get raffle prizes for this event. Now is the time for everyone to step up and make this the best raffle ever!

Reminder: Safety comes first. Read the rules and make sure you know them. You are responsible for keeping an eye out. Everybody is in charge of safety.

Shoot Fast, Shoot Straight, Be Safe,  
Jimmy Grassmidt, President

## Section Reports

### Archery

I would like to congratulate Colby Crofts on a shoot in Vegas. He won third in the state and 16th in the world for his age group. He and his family shoot with us on Monday nights and I think it's really great that he was able to go and shoot Vegas at 11 years old.

We started spraying for weeds on Sunday, Brian Phillips helped me spray. On Tuesday afternoon I sprayed another tankful, as of now we have sprayed from the right of Bay 3 all the way around the corner to the park.

Thanks to Scott we got our Prototype moving target done. We've been getting 8 to 10 shooters on Monday nights which is awesome. Things seem to be going well, but we have a long way to go.

Thank you,  
Joe Goncalves, Archery Section Chair

### Pistol

Hey Shooters ! This past month we had GREAT weather for all our events . Two FUN shoots brought out a total of 190 shooters and our fast draw brought 26 gunfighters! We've replaced some of our steel poppers for our IPSC style fun shoots and I'm looking forward to putting some lead on them. Come on out for some FAST handgun action and some good times!

See ya at the Club,  
Rick Servando, Pistol Section Chair
