

Oakdale Sportsmen's Club News *The Golden Pheasant* September 2018

President's Corner

As we start off in October, OSC annual membership fees are now due. This year the OSC Board of Directors has raised the yearly fees to \$120.00. This small increase is to help cover some of the expenses that we have incurred over the last few years with all of the improvements. We are also looking forward to new projects in the near future.

We will have three board positions to fill this year at the December dinner meeting. If you have something to offer, have time and want to help the club, let a Director know that you would like to run for a Board position.

Till next time, follow the rules, shoot fast and be safe.

Jimmy Grassmidt, President
