

Oakdale Sportsmen's Club News *The Golden Pheasant* September 2018

President's Corner

Summer is just about over. The days are getting shorter and the temperature is getting cooler. Our new bbq worked well last month and is in line for another workout next week. We will be having bbq steaks for our September dinner.

As I spend time at the club, I hear a lot of members commenting on the many improvements that have been done in the last few years. Also that the clubhouse and the grounds are looking better. This is thanks to a few people that are doing a lot of extra work, all for nothing more than just a "Thank you". If you spend any amount of time at the club, you will know who they are, so just tell them thanks.

Shoot Fast, Shoot Straight, Be Safe,

Archery

We have had a really good turnout the last couple of weeks. Our last Monday was the largest of the season with 25 shooters. We will be taking the next few weeks off. We will resume outdoor shooting during September. I will post notices on Oakdale Archery Club Facebook page..

Pistol

So we had a busy month with 170 action pistol shooters and 24 fast draw gun fighters. The heat still hanging around but , it didn't phase anyone. Come join us on Sept 2nd for our action pistol match or Sept 8th for our cowboy fast draw. Or come out for both matches and double the fun !
